

Bosses and Other Managers

Just as one man on the outside looks in on a daily basis, a lot is unknown about the interactions between employees amongst themselves and between employees and employers or managers on a daily basis. In this book, the author, based on his own experience of the past 40 years, depicts several executives in their daily actions or inactions and mode of governance. Sometimes laughable, sometimes grudgingly on target, sometimes horrifying, sometimes very surprising. Henny Nix (Wittem, 1955) has seen many organizations - first as a clerk and later as a psychologist labor/employment specialist in his working life. From small to very large, in government and in business, he presents an anthology and gives a picture of various executives a striking peculiar styles and most of which the term good manager does not even come close.
