

2012: A Clarion Call - Book of Meditations

I have decided to release the meditation and guided journey transcripts that form the compliments to my book, 2012: A Clarion Call. These transcripts formed a part of my Clarion Call workshops during 2011, and now you can have a direct workshop experience, as if you had attended! These twelve channeled healing journeys will support deep personal transformation, a shift of consciousness, and will raise your vibration. I have made these transcripts available for you to use in your own practices/workshops/groups/gatherings - as well as for you to use for yourself. You could also invite a close friend to facilitate the journeys for you, and you for them! I hope you get as much from these guided journeys as many, many others have. With Love, Warmth and Integrity. Nicolya Christi
