

A how-to book for Indie writer/publishers to get noticed in a super competitive publishing market that sometimes buries Indies. The key to getting noticed is a great cover. This free book is written by a successful independent writer/publisher for fellow independent writers. Full-color photos of her successful self-designed book covers show you the high quality and artistic design of her work. She wrote the book to show you how her long career as a professional painter and self-taught graphic artist now specializing in creating wow factor covers can help you the Indie writer/publisher. She works with her clients every step of the way, if they want to be involved in the process. However, there are those who simply set her free to create a great cover for them. Your final approval decides. If you do not like the cover, want to make changes, etc. she is open to any and all changes...even beginning again from scratch. Read the book. Contact the artist, and get started on the road to getting noticed.
