

## MASTERS OF FASHION Vol 34 Italians: Italian Fashion Legends (Fashion Industry Broadcast) (Volume 34)

FASHION INDUSTRY BROADCAST  
Masters of Fashion Vol 34 Italians  
ITALIAN FASHION. A DIVINE OPERA  
OF BEAUTY, DESIRE, FAME, POWER,  
AND EVEN MURDER. There is fashion,  
and then there is the truly sublime. To fully  
appreciate Italian fashion one needs to  
walk the Quadrilatero, the handful of  
sacred cobblestoned Milanese streets where  
a new pantheon of deities are worshipped,  
the houses of Gucci, Fendi Dolce &  
Gabbana, Cavalli, Tods et al. On these  
hallowed boulevards the fashion faithful  
from all over the world make their Haj. In  
just a handful of streets one can be  
awestruck by the temples of Italian luxury  
fashion. This is not some run of the mill  
suburban mall this is transcendence. One  
time skilled artisans and humble shop  
keepers have exploded into globalised  
corporate powerhouses equipped with  
formidable engines of growth. Sophisticated  
multinational conglomerates  
who have mastered the arts of  
manufacturing desire with their use of  
marketing and image in addition to that of  
design and craftsmanship. They mastered  
the art of branding, line extensions, retail  
experiences, and product licensing  
strategies. Italian designers have sailed  
forth from their native shores like the  
explorers of old to conquer much of the  
new world with their coveted treasures and  
shiny retail palazzos. They have infiltrated  
the dream factories of Hollywood and now  
their names are as ubiquitous on the red  
carpets as they are on the runways. In the  
last 50 years Italian fashion has given us  
fame, scandal, murder and it appears there  
is nothing that can sate our appetite for  
more. -CAVALLI -DOLCE &
