

Exploring Creation w/ Human Anatomy & Physiology Lapbook Package (Lessons 1-14) - CD

Upon completion, this lapbook contains enough booklets to completely cover 8 file folders; all 14 lessons of the Exploring Creation with Human Anatomy & Physiology text. Learn about the history of anatomy and physiology, label a skeleton, travel the digestive system, discover amazing facts about the four blood types and much more. An in-depth teachers guide is included which specifically tells where to find the answers to the questions within each chapter of the book.
