

Arts of Japan: MFA Highlights

The MFAs holdings of Japanese art make up the finest and most comprehensive collection outside of Japan. This stunning overview features many of the collections best-known and most beloved works, including such rare paintings as the eighth-century Buddhist panel *Shaka, the Historical Buddha, Preaching on Vulture Peak* and the thirteenth-century narrative hand-scroll *Night Attack on the Sanjo Palace* (the most exciting section of the celebrated *Heiji monogatari* scrolls), along with fine examples from the Museums unsurpassed grouping of woodblock prints, magnificent sculptures such as a gilt-wooden statue of the bodhisattva *Miroku* by the twelfth-century master *Kaikei*, plus a representative selection of postcards, textiles, ceramics, lacquer wares, sword-fittings and other decorative arts. In all, more than 160 highlights from the museums staggering collection are illustrated and discussed, divided into four themes--*Art of the Temple, The Town, The Ruling Classes* and *Japanese Art in the World*. Ranging from the seventh century to the present day, this engaging volume introduces readers to the complex variety and renowned brilliance of Japanese arts.
