

Cool Guide Berlin (Cool Guides (teNeues))

Replacing the successful Cool Restaurants, Cool Shops, Cool Spots, and Architecture and Design series, teNeues presents the Cool Guides. Featuring the hippest, best designed and most fashionable spots, Cool Guides will feature places to shop, eat, dine, as well as see and be seen! As much for locals as for visitors, each volume will showcase approximately 40 locations with two double photographic spreads. With the input of supermodel Lydia Hearst, fashion photographer Russell James and a local panel of experts, it's like a personal tour from a cool best friend.
