

## Chinese for Secondary School Students Teachers Book I

Chinese for Secondary School Students is designed for students age 11~17, whose native language is not Chinese. After finishing the series, learners will have a firm grasp of Chinese pronunciation, commonly used words, basic grammar and around 2,500 frequently used phrases. This series of textbooks also enables students to have in-depth knowledge of cultural differences, thus familiarizes them with the most commonly-used Chinese words about living and social issues. This series includes 10 stages. Each stage is composed of 1 Textbooks, 2 Exercise Books, MP3 and CD-ROM. The whole series is accompanied by 2 Teachers Books for the convenience of teachers.
