

## Murder at the Signs & Wonders- The Field Trip Murders (Conci DAMato Murder Mysteries)

Gloria DAlessandro once again lures the reader into a position where good must stand in the face of evil. The intrigue begins on an ordinary field trip to a metallurgy lab, where the science teacher and an important disk mysteriously disappear. This fast-paced thriller leaves the reader almost breathless, trying to untangle the various mysteries surrounding the gold formula, the disappearance of David McDonald, and the field trip murders. *Murder at Signs and Wonders: The Field Trip Murders* is an edge of your seat read filled with suspense, which we have come to expect from DAlessandro.
