

Halloween Canceled-Darkness Waits

Halloween CanceledDarkness Awaits is a Halloween treat that's better than a bag full of candy and it's much better for you, too! Narrated through the voices of four different characters, it's an inspirational sci-fi thriller with a twist ending that's sure to surprise. Grandpa Bill is always prepared. With a head full of useful information and all kinds of practical advice, the old Boy Scout is just the kind of guy you'd want to be around in a crisis. Jimmy, on the other hand, is a wisecracking comedian who is always joking around. When the authorities cancel Halloween to protect the health and safety of the public, Jimmy's parents are missing in action, so Grandpa Bill and Jimmy must come together as a team to survive the gruesome disaster. Other characters join the unlikely duo in the race for survival. Radio Al is the disc jockey who is dedicated to keeping everyone updated and informed during the devastation. And Mayor Finkelstein steps up to the plate as the leader of the most important city in the nation, the Big Pineapple. Ghoulish, ghastly, and gripping through and through, Halloween CanceledDarkness Awaits is an epic tale of good versus evil. Do Grandpa Bill and Jimmy have what it takes to survive?
