

How to Find Your Inner Glow.: A Meditation with Babaji

A true account of divine encounters of a most beautiful kind-visitations of a holy being bringing a divine message. Haidakhan Babaji is a legendary teacher, a manifestation of divine love, who appeared in the foothills of the Himalaya in the middle of the last century, and who left his body on Valentines Day, 1984. Babaji appeared to Geri on more than one occasion, encouraging her to write a short and sweet, unvarnished handbook about the methods she had learned and used in finding her own inner peace and healing. How to Find Your Inner Glow is a step-by-step guided meditation-and more. It is a quick and easy method leading you to the gateway of inner peace and divine unity. Babaji reveals a beautiful, divine message as he appears to Geri in the early hours of the morning in out-of-body encounters. Part of that message is that he is still very much here with all of us today. There is no separation.
