

IB Sports, Exercise and Health Science Print and Online Course Book Pack

Written by an experienced teacher, this comprehensive book will provide students with all the material and practice they need to succeed in this brand new subject area. Packed with visual explanation and practice, it will help students fully understand the science behind the body and its relationship to human well-being. Make sure students fully understand - lots of full colour diagrams, illustrations and photographs clearly explain scientific concepts. Trust that you're covering everything - the entire syllabus is addressed in an accessible format. Provide the best exam preparation - lots of activities are included along with support for all aspects of the examination. Know your teaching is in line with the IB ethos - support for TOK, international-mindedness and the learner profile is included. Be confident in quality - written by an experienced IB teacher. Accessible until 31 December 2022, to be used by a single student or teacher. Multiplatform access, compatible with PCs, Macs, iPads, tablets and more. Your first login to your Online Course Books will be facilitated by a printed access card that will be sent to you in the mail. If you are unable to receive a printed access card, please contact Oxford. Includes one print Course Book and one Online Course Book.
