

# The Art of Meeting your Self: Learning to Live Mindfully in a Busy World

Cultivating mindfulness when life is running at a seemingly unstoppable speed is not as difficult as you might imagine. This may be the moment when you realise that you are the only one who can take this step into mindfulness, but may need a little help. Written with warmth, insight and humour, *The Art of Meeting your Self: Learning to Live Mindfully in a Busy World* is a practical guide to taking care of yourself in the modern world- it can be read in half an hour but will introduce you to life skills that will stay with you for a lifetime. By sharing some transformational experiences of her students and herself, Deborah shows that from this new perspective, life can be radically changed.
