

Giorgio Vasari (Italian Edition)

Milano, 2010; br., pp. 77, ill. b/n, cm 17x24.(Architettura e Architetti Classici). Affidato alla cura e all'autorevolezza della storica Claudia Conforti, già autrice per Electaarchitettura, della monografia su Giorgio Vasari (1511-1574) pubblicata nella collana Architettura e Architetti classici, il volume propone una lettura critica dell'opera architettonica di colui che, universalmente conosciuto per le Vite dei più eccellenti architetti, scultori e pittori, fu interprete del rinnovamento di Firenze auspicato da Cosimo I, con la sistemazione degli Uffizi e la ristrutturazione di palazzo Vecchio.
