

Madalyn Aslans Jupiter Signs: How to Improve Your Luck, Career, Health, Finance, Appearance, and Relationships through the New Astrology

Madalyn Aslan has been hailed as the new Linda Goodman for a contemporary audience. In Madalyn Aslan's Jupiter Signs she explains that by knowing which sign Jupiter, the planet governing luck, love, success, and money, was in when you were born, you can discover secret strategies to change your life for the better. Unlike Sun signs, which simply reveal one's character and personality, Jupiter signs can help you make changes to your behavior and environment and improve your life. Using this book, discover your Jupiter sign and find advice on all of life's challenges and decisions, including:

- Lucky times, colors, looks, and financial strategies
- Best career moves
- Strengths and weaknesses
- How to reach optimal health
- Relationship success: how to talk with your lover, boss, and family

Detailing the dynamic relationship between your personality and your potential and using celebrity examples from Tiger Woods to Al Pacino, Kate Winslet to Helen Keller, Madalyn Aslan's Jupiter Signs will help you unleash your new Jupiter luck and create miracles in your life.
