

Simply Managing: What Managers Do - and Can Do Better (Financial Times Series)

This book slims down his award-winning work *Managing* (2009) and provides streamlined advice to help new and experienced managers get it right. *Simply Managing* answers questions including: * How do I deal with the pressures of management? * What are the most important elements of my job? And how do I get them right? * How do I connect in a job that's intrinsically disconnected? * How do I maintain confidence without becoming arrogant? * What are the cornerstones of effective management? It provides thoughtful, yet practical advice from one of the world's most influential management thinkers.
