

# Movie English Pack 1

What you will learn in this lesson pack: 1] How to write concisely i.e. you'll be able to write what Harry Potter is about using only 30 words. 2] Movie idioms/phrases - These phrases can be used in many topics because movies are about all kinds of things, from politics to alien invasions. 3] Movie problems and how to talk about them. This will focus on sentence structures like The director shouldn't have [killed the bad guy so quickly] or The movie wasn't interesting enough in the middle. 4] How to make and market your own movie. Well, on paper anyway. I won't actually give you money to make a movie! 5] How to read and write movie previews. 6] How to use your imagination. If you know about movies then this is the perfect book for you! If you don't know about movies...err...I'm not sure why you bought this. Refund, perhaps?
