

80ies Erotic Photography Nude Art #01: Erotic Vintage Photography

This is a photo ebook with original pictures taken in the early 80ies. Gina Nielsen spend years to collect old erotic material from retired former erotic photographers and published a series of 80ies photo eBooks with the well known erotica eBook publisher & author Brandon Carlsson. See nude girls in very tasty erotic positions from your Mom`s generation. Really interesting to see today because girls are unshaved, have much smaller breasts than women today and the clothing & accessoires is typical for the 80ies and so different. A real erotic time journey with beautiful and very natural girls & wives from your Mom`s generation. Enjoy over 100 photos in this photo ebook. Please note that this scans been taken from 80ies original slides and can`t compare to today digital photo standards. One other hand this a sign for 100% genuity and originality. See how sexy and erotic your Mom`s generation been and enjoy the photos. New 80ies & other erotic titles soon. Thanks for reading.
