

Planets in Solar Returns: Yearly Cycles of Transformation and Growth (Revised Edition - Digital Format)

Here is everything you want to know about Solar Returns! Information based on the authors experience interpreting hundreds of Solar Return charts for clients. An explanation of the significance of interceptions, retrogrades, aspects, hemispheric or quadrant emphasis, and preponderance or lack of an element or quality in a Solar Return. An interpretation of each planet in every house of a Solar Return - the most important factors in Mary Fortier Sheas experience. A guide to timing? in the Solar Return coordinated with transits, secondary progressions, and solar arcs. A chapter on combining natal charts and Solar Returns in a double wheel technique. Through this book, Mary Fortier Shea concentrates on a complete description of possibilities. Her examples range from spiritual transitions, starting a new business, love affairs, marriage, issues involving children and parents, health, education, writing and publishing books, relocation, income changes, career transitions, and much more. She covers both positive and negative possibilities for the different Solar Return placements and configurations she discusses. Mary Fortier Shea, M.A. Counseling Psychology, does astrological counseling for clients across the country. She has over 30 years professional experience. Her readings are spiritual, as well as psychological and practical. She is an international speaker and a favorite lecturer.
