

# Purposeful Leadership: A Workbook Guide to Success from a Biblical Worldview

Purposeful Leadership is a leadership training workbook with a Biblical Worldview. Covering a wide variety of leadership skills from communication to creating a culture, it appeals to a wide array of leaders from traditional business to ministry. This system is created to be done as a small group with links to free video training sessions. This gives leaders an opportunity to cultivate relationships with their team while working on leadership skill development.
