

# Sing Pop A Cappella: Book 1

Gitika Partington's a cappella arrangements are used by youth and community choirs around the world. Gitika believes in the sensational power of group singing bringing people together to express joy and celebration through song. Not being able to read music is no obstacle and Gitika's tips and the original arrangements included here demonstrate just how rewarding and inclusive teaching a cappella by ear and gesture can be! Includes: Chasing Cars \* Help! \* I Say a Little Prayer \* Nobody's Fault But Mine \* Somethin' Stupid.
