

The Snow Globe

For Mary the decision was easy: she hadn't planned on it, wasn't ready for it, and had no plans of being with the father. So the baby had to go. And all it would take was a discreet trip to the clinic. When she spots the picketers she stops and pretends to be shopping at the Christmas curio sidewalk stand. But the stand has more than knick-knacks for sale - including a very special snow globe.
