

Fancy White Trash

Finding love is simple with the One True Love Plan. If only life were as easy as your sisters. Abbys heard that one before. And its true - Shelby and Kait arent exactly prim and proper. Abby is determined not to follow in their footsteps, so she has created the One True Love Plan. The most important part of the plan is Rule #1: Find Someone New. This means finding a guy who hasnt already dated Shelby or Kait. But when Abby starts falling for the possible father of Kait's baby, she has to figure out if some rules are meant to be broken. This debut novel, a modern comedy of errors, is as lighthearted and irreverent as its title.
