

Super Minds Starter Teachers Book

An exciting, seven-level course that enhances young learners thinking skills, sharpening their memory while improving their language skills. This exciting seven-level course enhances your students thinking skills, improving their memory along with their language skills. Super Minds develops creativity with visualisation exercises and art and craft activities, explores social values with lively stories and encourages cross-curricular thinking with fascinating English for school sections. For ease of use, this Starter Teachers Book is interleaved with pages from the Students Book. It includes detailed lesson aims, clear instructions and a vast array of extra activities.
