

Tadao Ando 4 New Endeavors (Japanese and English Edition)

The fourth collection of works by architect Tadao Ando in a series that has introduced the architects diverse body of work on residential, domestic, and overseas projects. Breaking the series mould, this volume presents works from small domestic residences to large overseas projects, including projects in Asia that have attracted interest in recent years. Each of the nineteen featured works is accompanied by visual material. An overview of Andos urban projects, which he has continued alongside his years of urban greening work, are extensively presented with texts and photographs. In addition, this edition offers a glimpse of the newer challenges Ando has undertaken.
