

## English as a Foreign Language (Teach Yourself Languages)

Designed for those who know some English already and want to learn more without a teacher, this course offers flexible study to help you learn English in English. It aims to give you confidence to communicate in everyday situations, such as asking for information and attracting attention, as well as explaining the grammar you need. It contains lots of practice in communication, grammar, vocabulary and pronunciation, with interesting examples and exercises, and revision tests for you to check your progress. Special sections answer common questions and help you to avoid making mistakes and the book provides information throughout on British life, habits and customs.
