

Teddy Bears Playtime contains eight endearing elementary piano solos for teddy bear lovers. Every one of the solos is fun and imaginative, encourages musical playing and facilitates movement over the keyboard. Ideal for second-year students, these solos use C, G, F and middle C positions with occasional shifts out of position. Optional parent/teacher duet parts are included for three of the solos.

Art from Los Angeles: From the 60s-90s, Encyclopedia of Political Thought (Facts on File Library of World History) by Sheldon, Garrett Ward published by Facts on File, The Twelve Caesars, English-Spanish/Spanish-English Medical Dictionary, Fourth Edition by Glenn Rogers (2014-07-22), A History of Architecture,
