

Energetic Invocations: A Book of Vibrational Change

Are you frustrated with negative people, nonstop bullying, harassment and the loneliness that you feel in the world as you see it? This book and series taps into the energy within you so you can live life and be happy and fulfilled for no one else's benefit other than your own. You are a part of the silent majority who feels the same way you do so invest in yourself. This book and series will change your way of thinking without the need of an outside Guru. This is not a self-help series, it is a self-empowerment journey. Energetic Invocations is about changing your thoughts and beliefs, and working with the energy surrounding them, as a way to change your life. This book is the high-octane version.
