

The Caribbean File Beginner/Elementary Book with Audio CD Pack (Cambridge English Readers)

Award-winning original fiction for learners of English. At seven levels, from Starter to Advanced, this impressive selection of carefully graded readers offers exciting reading for every student's capabilities. Secret agent Ian Munro is sent to the islands of the Caribbean to discover what two notorious terrorists are doing there. He tracks down the men and their beautiful female accomplice, and then follows them as they put their plan to dominate the world into action. How can he stop them? And what about the kidnapped boy and his nuclear scientist father? This paperback contains an Audio CD with complete text recordings from the book.
