

The Creation Spirit: Expressing Your Divinity in Everyday Life.

THE CREATION SPIRIT, Expressing Your Divinity in Everyday Life, is a story about living spiritually from moment to moment. The main character leads his followers to heal their lives by first shifting their perspectives on life to reflect their spiritual being. Looking at life through the lens of metaphor and metaphysical thought, the pathway to inner Truth is opened so that ones need for outer authority and identity can be replaced. Out of Oneness, then, each is able to reconstruct the foundation from which life flows from the seat of their divinity. If you are looking for assistance in finding the real you, this is the book for you.
