

## 12 Management Mistakes

You've been striving to rise up the ranks to management since you started your career, and now you've made it. Congratulations! But do you really know what you've let yourself in for? You'll now be responsible for managing all kinds of activities and resources, the most important (and trickiest) of which is people. You'll be held accountable not just for your own performance, but for that of your team. You'll need to get results through other people, and that requires a shift in your thought processes as well as many new skills and techniques. And it isn't easy. This book will show you, by means of practical guidance and case studies, how to avoid some of the worst mistakes you might otherwise make as a new manager.
