

Getting Well is a six to twelve-week study that will help tweens explore healing and wholeness. As followers of Jesus we are called to spread the good news that God wants everyone to be a whole person in every dimension of life: spirit, body, mind (emotions) and relationships. The selected healing stories and activities included in this study tells us about the depth of Gods love. This study will help children understand: ~ what healing is ~ why Jesus healed ~ what healing teaches us about Gods love for us ~ why healing is needed today ~ how to enhance health in every stage of life by choosing lifestyles that promote wholeness.
