

## The law of eternity

The law of eternity, self help, non fiction inner guide to meditation , for the realization awakening of your inner being. consciousness , awareness , non being the law of eternity. One of the most beautiful book ever write in the history of civilization , for the simple fact that outer science physic is not to long that has come to light , and this book is an extract of wisdom of physic outer science and inner science the science the science of the mystery call it also mysticism . The emphasis the path is on meditation , close your eyes and bring the attention within your inner being , the present the gate less gate to your inner being , the silence the gate less gate to your inner consciousness and nothingness the absence of things emptiness the gate less gate to non being formless awareness the law of eternity, an incorporeal dimension body , where time annihilate space annihilate ,forms annihilate and all duality of the mind annihilate , and only formless awareness remain has intrinsic essence of eternity, in essence you can be one intrinsic one with the formless awareness the emphasis the path of course is meditation on and on , and then unbounded freedom the real freedom , relaxation, bliss, ecstasy , sacred divine , the resurrection has happen if you hold a body you will be illuminate mean while living in the body, if you have left the body the resurrection has happen you in essence quality fragrance will flow intrinsic to eternity for eternity to come spread diffuse all over intrinsic to the universal body , the resurrection has happen the resurrection his a conscious alchemy non physical non gross non material but conscious of your consciousness awareness totally refine returning home , is an eternal journey from eternity to eternity , from here to here where you think to go here and always here ok ..Angelo Aulisa
