

## When Blind Eyes Pierce the Darkness: A Mothers Insights

With courage and determination, a young Greek girl journeyed to America to carve out a new life. Not long after her arrival, Kalliope married - only to have her dreams and aspirations ravaged by a disease that took her sight. Yet Kalliope faced life head-on and lived it to the fullest. Now eighty-four, Kalliope's thoughts, fears, hopes and dreams have been recorded by her son, Peter, in hopes that her keen insights will add to our understanding of life's choices and challenges.
